# Tennis + Education Can Transform a Community!

Former PASS student Huda is majoring in Biomedical Science at Barrett, the Honors College at ASU.

She's been instrumental in training PASS student education room facilitators (playing tennis with them too). She will take lead on our first summer camp at Pensar Academy.

Middle school students and PASS coaches will partner together to complete a tennis related education project implemented by Pensar staff using their Project Based Learning methodology.

## Jan. 7 to April 7 Education Results

2,200 Winward Academy college-prep questions answered.

20% growth in English lessons.

32% growth in Math.

60 scholarship applications completed by 10 seniors.

450 training hours to coach tennis by 13 HS students.
